iPRODUCE, INEDIT, DIY4U, and OPENNEXT, the four EU projects funded under the topic DT-FOF-05-2019 - Open Innovation for collaborative production engineering - will organise next 22 April 2021 (10h00 CEST) a joint online event to promote a discussion around the concept of open innovation.

The event will be an opportunity for attendees to learn about each of the four projects, namely their objectives, key concepts and activities, and expected impact, but it will also include a panel session where the representatives of the projects and attendees will engage in an open discussion on the motivations and challenges linked to open innovation.

Join us for:

> Awareness for open innovation applications and their future development
> Networking opportunities
> Opportunities for engagement with the projects

*** Tentative event agenda ***
10:00 – 10:20 // Welcome and presentation from the EC
10:20 – 11:10 // Presentations from the four projects (OPENNEXT, iPRODUCE, DIY4U, and INEDIT)
11:10 – 11:50 // Panel discussion
11:50 - 12:00 // Wrap-up and closing
